WARBLER RIDGE INTERPRETIVE TRAIL APP

Your Private Guided Hike of Warbler Ridge Conservation Area is ready whenever you are!

Simply purchase "Prairie State Hikes" in the App Store and download to your smartphone or device (\$3.99).

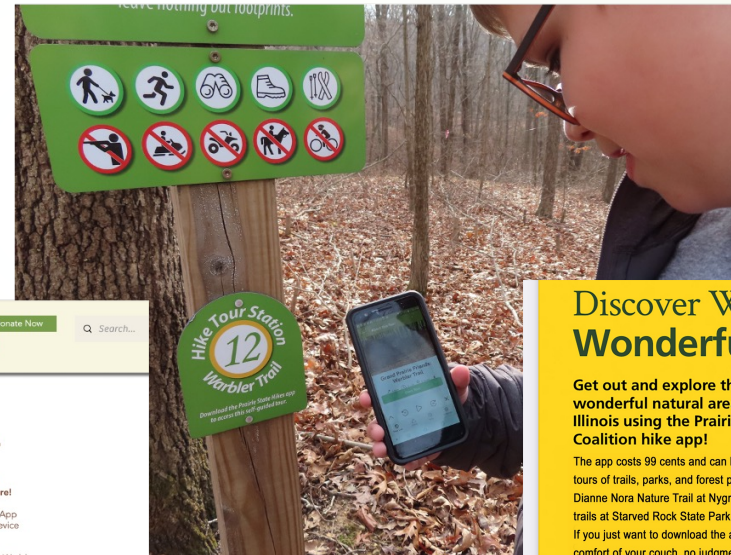

The guided hike will navigate you through the Warbler Trail with 12 stops along the way to explain plants, animals or history of the area. You can select to read the content as you hike or listen to the audio version.

Grand Prairie Friends offers over five miles of hiking trails through the wooded ravines and prairie pollinator areas at Warbler Ridge Conservation Area. Open dawn to dusk daily, these trails allow visitors to explore a variety of natural areas, unique plants and interesting animals.

By purchasing this app, you will also have access to over 10 other Illinois natural area hikes including Starved Rock, Allerton, Illinois Beach and more!

No Smart Phone?
No problem! Those without smart phones can still enjoy some of the perks of the app. A pdf translation of the tour as well as a map of the tour stops is available for download below.

STQRY software is easy to use

The screenshot displays the STQRY software interface for the Prairie State Conservation Coalition. The top navigation bar includes the 'stqry' logo, the organization name, and menu items for 'Projects', 'Content', and 'Help'. Below this, the 'Collections & Tours' section is active, with sub-menus for 'Collections & Tours', 'Screens', 'Quizzes', and 'Media'. A search bar is located in the top right of the content area. The main content is a grid of cards, each representing a different tour or collection. The cards include:

- An 'Add new tour or list' button.
- '2017 Total Eclipse' featuring a solar eclipse graphic and text: 'JOIN WITH US • AUGUST 21, 2017', 'TOTAL ECLIPSE 2017', and 'Illinois Department of Natural Resources'.
- '2024 Total Eclipse' featuring a solar eclipse graphic and text: '2024', 'Total Solar Eclipse', and '2024 Total Eclipse'.
- 'A Paddle Down Nippersink Creek' featuring a photo of people kayaking.
- 'Adams Wildlife Sanctuary' featuring a photo of a monarch butterfly on purple flowers.
- 'Illinois DUBON SOCIETY' featuring the organization's logo and text: 'Illinois Wildlife Sanctuary', 'Preserve Illinois Flora and Fauna'.
- 'Allerton Park Formal Garden Trail' featuring a photo of a statue in a garden.
- 'Barrington Area Conservation Trust Protected Lands Tour' featuring a placeholder image icon.
- 'Beaver Dam State Park' featuring a photo of a lake and a dock.
- 'Byron Forest Preserve--Four Hills and River Woods' featuring a photo of a field of purple flowers.
- 'Byron Forest Preserve--Jarrett Prairie' featuring a photo of white flowers.
- 'Canoe the Lower Fox River--The Conservation Foundation' featuring a photo of people canoeing on a river.

GPS location

- ▶ Always know where you are with your phone's GPS "blue dot" location that follows where you go

We all have great stories to tell

- ▶ The Prairie State Hike App is a chance for you to share those stories about the land we care about.
- ▶ We all have great stories to tell...let's hear yours!
