## *PREPARING FOR LONG-TERM STEWARDSHIP: A DUAL APPROACH FOR ILLINOIS*

November 2016

Summary Report

Prepared by:

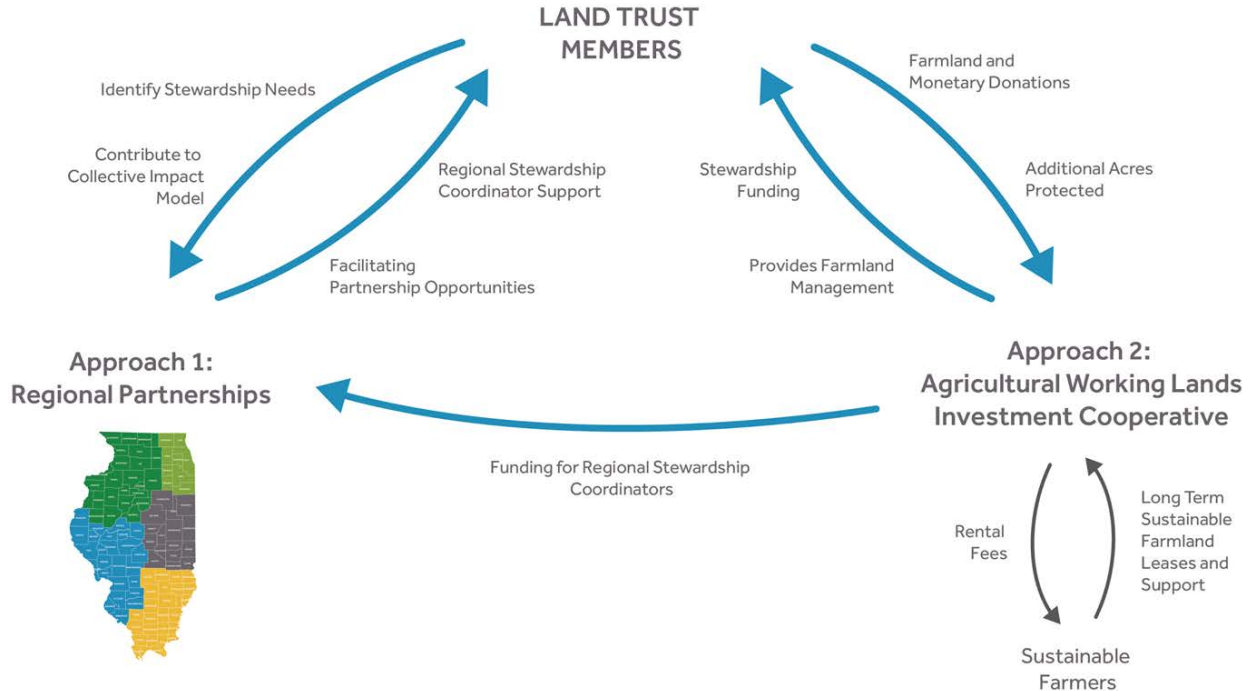

# *A DUAL APPROACH FOR ILLINOIS*

- Identified key barriers to stewardship
- 26 Funding and Financing Mechanisms
- Projected Stewardship needs into the future
- Concept for one potential solution

<http://bit.ly/deltaconservationfinance>

# THE DUAL APPROACH

# *Building the Systems needed to Scale Up Multi-Revenue Based Stewardship Funding In Illinois*

1. Quantify and Qualify the stewardship work already being done to confidently communicate impact and needs at a state-wide level
2. Build resources and tools to improve utilization of available funding mechanisms
3. Continue to investigate and pilot the Dual Approach Concept
